Timber Windows

- Sliding Sash Windows
- Casement windows
- Listed Building Windows

Our timber windows are available either fully supplied and installed or as a supply-only option. We offer FENSA certified installation, ensuring compliance with industry standards. Each window is professionally factory painted, with a wide range of timber, glazing, hardware, and paint colour options to suit your style and requirements.

Timber Doorsets

- Beautiful Entrance Doorsets
- Timber Bi-folding Doors
- Listed Building Doors

Our timber doorsets are available either fully supplied and fitted or as a supply-only option. We provide FENSA-certified installation for peace of mind, along with a professional factory-painted finish. Choose from a variety of timber, glazing, hardware, and paint colour options to perfectly complement your space.

“From our first meeting with Davies to discuss the initial plans for renovating our home, through to the final delivery and installation, we had excellent service, both friendly and professional, with complete focus on delivering the very best product and we are absolutely delighted with the final finish. Thank you to all the team!”

Customer Testimonial, Masham

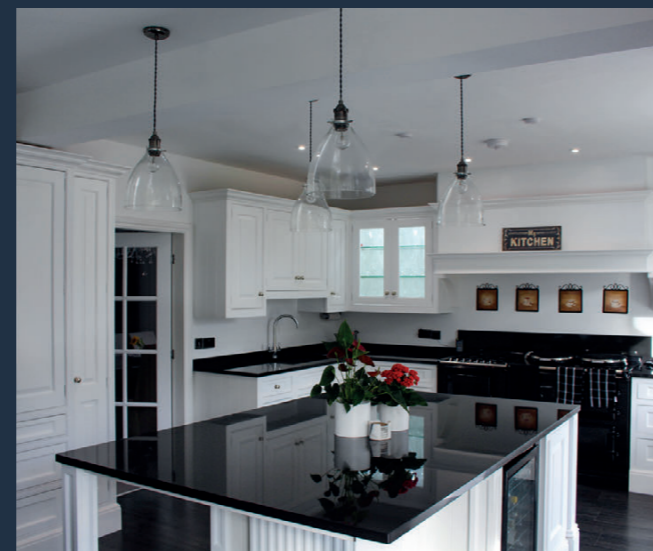

Orangeries

- Full design, planning and build service
- Timber or aluminium orangeries
- Glazed lanterns

We offer a complete design, planning and construction service for your bespoke orangerie. Alternatively, we are able to supply and install the joinery elements only, working in conjunction with your chosen builder.
